

SNAPTIN COMMUNITY NEWS

Autumn 2021 | Edition 1

Hello!

Welcome to the first Snap Tin Community Hub newsletter for residents of Goldthorpe, Bolton and Highgate.

This is going to be a quarterly newsletter to keep you up to date with what is happening in the local area and provide you with the latest news about local groups and organisations. If you wish to have anything included in future editions, please do contact us at snaptincommunityhub@gmail.com

Angling for All

The Snap Tin Community Hub recently provided funding for an independent group called **Angling for All**. The money helped them to clear lilies from the brick ponds and to purchase a container to store equipment which will be used by youths in the community.

Funding is still available for local groups, please contact us on any of the methods mentioned on the newsletter to see if we can help.

First Aiders in the Community

Earlier this year we funded 13 members from the community and local organisations to complete an accredited first aid course. These first aiders will be available to attend future community events to provide first response support.

Dearne Community Arts' Festival

We had a great day at this year's Dearne Community Arts' Festival on Saturday 25th Sept at Astrea Academy Dearne in Goldthorpe.

Altogether there were 446 people at the event, 377 attending and 69 taking part. This is the largest attendance we've ever had and reflects the importance of creativity in the Dearne area and how people are desperate to regain some kind of normality after so long apart and in isolation.

One of our exhibitors (Jeanette Heavey, a lady in her 80s) told us that 'art kept me sane during lockdown', and there was clear evidence through all the exhibitions, displays and performances of the vital role the arts play in health and wellbeing.

Hanging Baskets

As a partnership we were asked if we would sponsor hanging baskets in the community. These have been a great addition to the local area and really help to brighten the streets up.

If you would like to sponsor one next year please

contact mariesinclair@barnsley.gov.uk

Money Matters

Every issue we will focus on a new help zone topic. For our first issue we have decided to concentrate on finances. If you are struggling with money there are many places you can go to access help, you can access the local welfare assistance scheme: www.barnsley.gov.uk/services/advice-benefits-and-council-tax/benefits-help-and-support/local-welfare-assistance-scheme

Community Consultation

If you would like to be involved in what happens in your community, why not pop into The Snap Tin Community Hub (*based in the Snap Tin Café*) to meet with Stacey our support worker on Monday between 10 and 11am. Or you can complete a survey which can also be collected at the café.

University of Sheffield

Architecture Students are looking for suggestions of creative and cultural activities that you would like to see in the area. To help, please contact lp06-2021-group@sheffield.ac.uk
