

SNAPTIN HUB COMMUNITY NEWS

Winter 2021 | Edition 2

Goodbye 2021, Hello 2022

Hi, like many of you we suspect, we are glad to be leaving 2021 behind us and entering a new year. We are hoping that 2022 is a better year overall than the previous two and that things can return to normal once again.

This is the first of our quarterly newsletters we aim to send out in 2022 to keep you up to date with what is happening in the local area and provide you with the latest news about local groups and organisations.

If you wish to have anything included in future editions, please do contact us at snaptincommunityhub@gmail.com

Dates for the Diary

Christmas Fayre

The Christmas Fayre organised by The Community Shop was well attended, it was great to see so many people support local businesses and get involved in the festivities.

We were pleased to be able to help by funding an inflatable grotto and toys for distribution within the grotto.

Ieye Drone Search and Rescue

The Snap Tin Community Hub has been able to provide funding for an independent organisation called Ieye Drone Search and Rescue. The money helped to purchase extra batteries, so the drone is able to stay out longer to search for missing animals and people. Please find them on Facebook to see how they have been helping the community and making national news in recent weeks.

Funding is still available for local groups, please contact us on any of the methods mentioned on the newsletter to see if we can help.

Twiggs Dearne Area Clean and Tidy Team

We are sure you will have seen them around but Nigel and his team from Twiggs cover the Dearne, helping volunteers in the community and community organisations to tidy their outdoor communal spaces.

Last year they helped to create the outdoor garden which can be found at the Snap Tin Café and are often found cutting back trees and removing waste from the streets in the Dearne.

However, they are always looking for volunteers, if you can help please contact them on Facebook using the above name.

Reduce, Re-use and Recycle

Continuing our help zone topic this issue we will be looking at the impact of reducing waste, reusing items and recycling. Every year England produces 100 million tonnes of waste.

In 2021 75% planned to make more changes to improve their impact on the environment, will you help to increase that figure for 2022?

We have a local waste recycling centre in Goldthorpe (located off Nicholas Lane) where you can take extra recycling if your household bins are full. Please remember in Barnsley we are able to have a:

Blue Bin
(Paper & Cardboard)

Brown Bin
(Glass & Plastic)

Green Bin
(Garden Waste)

Grey Bin
(Non-Recyclable)

If you are missing a bin or need a replacement please order through Order a Bin from [barnsley.gov.uk](https://www.barnsley.gov.uk)
Statistics from : <https://www.finder.com/uk/recycling-statistics>

Age Friendly Barnsley

Congratulations to the Snap Tin Café who have been awarded with **Age Friendly Barnsley** in recognition of the training opportunities provided and their wonderful work in supporting a wide range of groups and activities.
