Autumn 2023 | Edition 9

Success for Goldthorpe Learners

A group studying Maths and English at Goldthorpe Library this year have made amazing progress. The maths learners photographed have achieved functional skills qualifications at two levels this year and the English class achieved one level. **Congratulations everyone!**

We asked the learners what they like about studying with Adult Skills and Community Learning at Goldthorpe. They told us that it's convenient to be able to study locally, that the classes are friendly and relaxed and that the tutors help people to achieve to the best of their ability.

Courses in English, Maths and Digital Skills will be running in Goldthorpe from September. If you're interested in joining us to improve your skills, contact Caroline on 07831 164903. You can find out more at barnsley.gov.uk/ASCL.

Merry Christmas & Happy New Year from

Let's end loneliness. Let's b:friend.

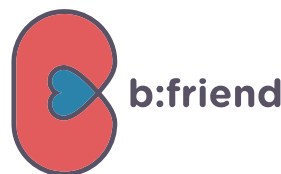

Do you have an hour to spare and want to volunteer for your local community? b:friend have opportunities for people aged 18+ to become volunteer befrienders in their local area.

We match isolated older people with a volunteer befriender for a cuppa and a natter and some community connection.

b:friend will support you to complete your DBS application and accompany you on your first visit with your neighbour.

If you would like to know more or have an informal chat about volunteering, joining the social club or having a 1:1 befriender for yourself or a family, call Jenny on 07895725377. Or you can email jenny@letsbfriend.org.uk

You can sign up to volunteer or make a referral for someone in need of a befriender at our website - www.letsbfriend.org.uk.
